

"After losing all of my lower teeth I used a full lower denture for awhile. Now that I have my new fixed teeth supported by dental implants, I have regained my confidence and I look and feel young again. I am glad I made the best choice for myself."

To learn more, call your dentist now
or simply dial 1-877-SuperSmile (1-877-787-3776)
to schedule a complimentary consultation including computerized tomography -
the most advanced diagnostic study in implant dentistry.
